Record Status:

The record "**Status"** is located at the upper left hand corner of the eligibility response (see the example below). The record **Status** indicates one of the following:

- **Open:** The record has not been processed.
- **Closed:** The record has been processed and the recipient might be eligible. Read all of the response messages for clarification.
- **Retry:** The recipient is ineligible or is not on file, you entered query data in an invalid format, or an error of a non-severe type occurred. Read the response message for clarification.
- **Error:** An error of greater severity occurred. Read the response message for clarification.

Note: Always look at and review the entire eligibility response to determine eligibility.

Example:

```
04/22/05 14:44:22
Status: CLOSED Id:3.200 Record: 200
